**WARNING:** there is a red light camera and speed camera at Loch Raven and Belvedere, Belvedere and Perring Parkway and Loch Raven Blvd at Walker Ave.

As of March 2017, visitors will be asked to provide a driver's license or state issued ID that will be scanned into our new visitor system, and a photo of the visitor will be taken. A **visitor pass** with an expiration date will be printed and provided to the visitor. Once a visitor's information and photo is in the system, he or she will not have to repeatedly provide ID or have a photo taken. For future visits, the visitor's name will be recognized and the pass issued. If you have any questions, please contact Security at 443-444-4300.

Parking can be an issue here. Please DO NOT park in the main lot outside of the Emergency Room. There is parking available around the side of the Russell Morgan Building, behind the main building. If you can, it would be appreciated if you would park in this lot. The farthest part is employee parking, but you should be able to park on this side of the blockades. If Security stops you please inform them you are here for a conference and they will direct you where to park.
